CLSC Scholarship Fund

If you would like to help a child with limited resources become a Ski Club member there are several ways to help.

You are now able to sponsor a child to help pay for their club dues.

You can volunteer to help with transportation to and from practice & meetings.

or you can give to the Clear Lake Ski Club General Fund.

Thank you again for all your support making a great season.

Our Ski Show could and would never happen without the generous donations from our Lake Family.

Your time, resources, financial contributions, love and support are what make a successful Ski Show Season.
