The Commodore's Corner

Greetings CLYC family and welcome to the first WindWord of the 2025 season. This year marks our 90th Anniversary, and it is worth taking a moment to reflect upon our history and consider the vision of the original 23 sailors who on July 4, 1935, held an organizational meeting and founded the Clear Lake Yacht Club. I'm grateful not only to those founders but also to the generations of members who came after and are part of the CLYC family and heritage. What a legacy they left us! Their love of the Club and lake, and their continued commitment over the years has brought us to this moment. It feels very appropriate that on this anniversary year, through the unbelievable generosity of our current members, we can expand that legacy with the acquisition and development of the adjacent lot.

We are a couple of short weeks from opening, and your volunteer board and committees are working hard to make sure we are ready. Staying on that theme, I want to stress how important the volunteer hours are for the Club, and I encourage you all to get involved. An ideal opportunity is coming up. Saturday, May 17th, is Club Cleanup Day. See inside for further details.

This spring, we will be looking for your participation in a couple of initiatives. Board member Terry Brown is leading a strategic planning committee and needs your input. The property development committee headed by past commodore Mike Kellermeyer will be workshoping plans for the new lot. Again, see inside for further details.

We have a full calendar of events planned for you. In addition to the sailing series, tennis/pickleball and ski club, all the favorites will be back – trivia nights, bands, food trucks, Dart League, plus a few surprises.

I hope to see you at the club this summer. Come and introduce yourself. Chat with the board members and club chairs and consider ways you can be more involved. We are only as strong as our membership and cannot do this without you.

Jon Moss
2025 Commodore

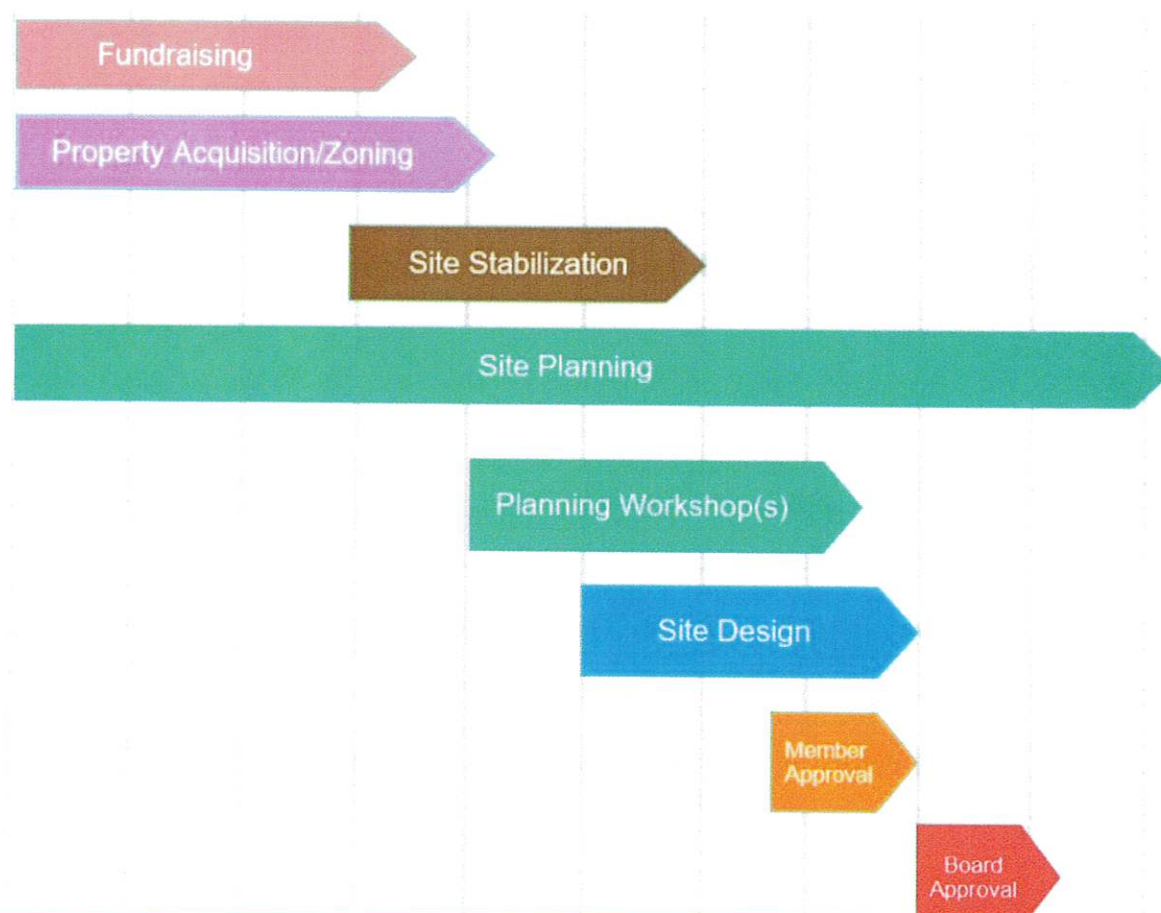

Capital Campaign and New Property Updates

When we launched the capital campaign last July, we set an ambitious goal of \$800,000. 75% of that was needed by Christmas to ensure that we met the seller's deadline for buying the adjacent lot. Due to the incredible generosity of the membership, we exceeded those goals. At last count, total funds raised amounted to \$947,000! I cannot thank everyone enough for your contribution to the Club's future and legacy.

We closed on the land at the turn of the year. At time of writing, we are finalizing the administrative process required by the Town to combine the new and original lot. We plan to stabilize the lot with some minor regrading and topsoil/seeding whilst the site planning process proceeds. A tentative goal is to start any agreed construction work in fall.

The Property Development Committee is leading the planning effort and will be workshopping ideas later in the spring, building on input received via the property survey collected in the fall. If you would like to be involved, please contact Mike Kellermeyer. Look for further communication on the subject as the season progresses. A copy of the survey responses can be found on the Club website in the documents section.

COURT NEWS

Welcome back everyone! It's been quite the winter, but hopefully by the time this is published, the recoloring of the tennis/pickleball courts will be finished. We took this opportunity to redesign the nets and lines to fit in 2 more pickleball courts so we'll have 8 pickleball and two tennis courts, with no "combo" courts.

Some dates this summer to mark on your calendars - the annual Tennis and Pickleball TGIF will be on July 18, and we hope everyone will join us. The Youth Tennis Camp will be held during the weeks of July 7 and July 14 (Monday, Wednesday and Thursday mornings). All kids from 7-14 years are welcome. Contact me (513-312-1691) or Lisa Lindsey (614-286-7932) if you have any questions. First come, first "serve"!

If you haven't renewed yet or still intend to join, please try to do that soon. I'll be sending out a letter to 2025 tennis/pickleball members with this year's gate code and other updates around Memorial Day.

More details on these and other activities will be in the June Windword and listed on the ClubExpress calendar. I'm looking forward to seeing you on the courts!

Jan Matasick, Chair

BAR NEWS

We are excited to welcome you all back to the CLYC bar! Crystal, Cassie, and Shannon are back this season and ready to greet you with your preferred refreshment. Opening night is Friday, May 16th.

We're trying something new this year in the hope of expediting our bar service. The Club is issuing member ID cards which must be presented at the bar to quickly and easily confirm your membership and help our bartenders charge drinks to the appropriate bar tab. Thank you in advance for your patience and understanding while we adopt and refine this new process.

One annual reminder, please register non-member guests EACH TIME they join you at the Club, even if they joined you earlier in the season. This is required as part of our private club liquor license. Please help the ladies keep us compliant!

Bar Chair

STRATEGIC PLAN

As Clear Lake Yacht Club celebrates its momentous 90th anniversary in 2025, we're charting our course for the future through the CLYC Strategic Plan initiative, led by Board member Terry Brown in collaboration with Board members and Committee Chairs. Building on the successful completion of our Building for Generations Capital Campaign, this crucial planning process is meant to ensure that CLYC has sustainable future, is financially strong, and is the destination of choice for members and guests both on and off the water. The Strategic Plan particularly focuses on strengthening CLYC as a valuable resource for all generations and creating deeper member engagement opportunities. We will invite your input through small focus group sessions scheduled for June at the Yacht Club, with specific dates to be announced soon. The complete strategic plan will be unveiled at our August 2025 Annual Membership Meeting, representing an exciting roadmap for our Club's continued vitality and growth. In the interim, please contact Terry at Terry.Brown16@gmail.com or at 937-572-6848.

ENTERTAINMENT

Greetings from the Entertainment chair.

We have a full calendar of music and a new event this summer.

First the music: We will have some new faces at the Club this year highlighted by the Sweetwater All-Stars on Saturday, August 2. Other new musicians coming are The Corias on Memorial Day. The August 8 Steak Out will have the talent of Morgen Hammer Jazz vocalist. On the Jazz theme, Ron Rumbaugh will bring his mix of rock and jazz. Ron will also be accompanying the G Bees. Returning to the Club from many moons ago is John Reichle.

Club favorite Lee Warren will be playing Labor Day weekend. Fourth of July Weekend brings a full slate of talent with John Reichle Thursday night, ISLAND VIBE Friday, and Saturday post-fireworks, Graeme Buhner.

For those who like a little country music, Scott Bond will play a solo gig this summer, and his combo the Channel Cats will join us for a Saturday in Early June.

Trivia Fans! Aaron Montgomery will be back for several dates throughout the Summer.

Returning this year are Kate & Delbert, Tom Koenig, Lee Warren, Island Vibe, Graeme Buehrer, Dave & Rae, Jim Weber and Norman Light.

There will be a new ticketed event July 19 with the Dinner Detective Murder Mystery. This will be a catered meal from the Smoke Shack and a Murder Mystery for your entertainment. RSVP and purchase tickets on ClubExpress. Seats are limited.

This year we have three Saturdays that are being sponsored by members. This has allowed for the new entertainers we will see this year. Many thanks to you members that are sponsoring music for all of us.

If you would like to sponsor a band for Summer 2026, please contact me for the dates and the Commodore for additional details.

Thank you, and let me know if you need anything else. Barring cancellations, the calendar for music is set and has been added to the ClubExpress calendar.

Once again, we will be having food trucks every Thursday from Memorial Day through Labor Day weekend.

Friday nights are a mix of food trucks and catered meals.
