The Clear Lake Association is Offering Reflective Dock Signs

One of the best things that you can do for your family and guests is to install a reflective home address sign in a highly visible location on your dock.

In 2010 your Clear Lake Association distributed 395 dock signs to Clear Lake property owners but few of these signs are visible today.

While the lake may look familiar by day, that all changes after sunset when landmarks cannot be seen. Inclement weather makes locating a home at night even more difficult. That's why the blue and white dock signs affixed in a prominent location on your dock, become doubly important after dark especially in an emergency situation when every second is critical.

The Clear Lake Association is offering 4" X 12" blue aluminum signs with 3" white numbering to everyone for \$12.50. You can order your signs using the order form on the back of this letter. Please return your order form with your check made payable to the Clear Lake Association by September 22, 2017. Your signs will be delivered to your Clear Lake address during May of 2018.
