VOLUME 73, NO 3

AUGUST 2008

2008 Ski Show will be June 27

The Clear Lake Ski Show will feature as many as 80 of Clear Lake's outstanding young people! There will be 30 or so acts of daring-do. Don't miss it! The action starts at 2:00PM.

It is, once again, the time of year to remember your bar bill. Get it paid soon!

The next WindWord deadline is April 15 of 2009 — Have a Good Winter!

From the Tennis Courts

When the weather permits, the ladies are playing tennis on **Monday and Wednesday mornings** at 8:30 am. Also, we invite ladies and men to come play on **Saturday** mornings at 8:30. Just show up to play. We'll make an effort to divide players by skill level.

We now have a **ball machine** for use by tennis members. Thanks to Leo Weber for restoring the machine, Home Lumber for building a shed for it, Geiger Electric for connecting the electric and the Gays for donating power from their garage.

We will have mixed doubles followed by the famous **Lobster Dinner on August 2nd**. Call Barb Wenger for more details.

There are some real tennis talents develop-

ing among our **Junior Tennis** kids. We have started a **Junior Tennis Ladder** to encourage more frequent play. Thanks to Leo Weber, Jay Ludgate, Barb Wenger and several others for teaching many kids in July.

If you do not have a **key to the courts**, please contact me #166 (495-5885) or the Weber's #502 (495-4882).

“Temporary memberships” are available to non-members for \$50 per week. Call “key people” for details.

Wednesday Night Sailing

These races are quite informal — there is no race committee and indeed, results are not even recorded. We just

want to have fun. If you want to learn to race or test your expertise, come join us any Wednesday at 5:00 PM. Kids on the lake are welcome. (Do try to arrive a half hour or so early to get the boats ready.)

The Rumsey girls sailed excellent races in high winds on July 9.
